Any warranty offered by Purchaser to its customers, in excess of that offered by Seller, shall be the responsibility of Purchaser.

11. **LIMITATION OF LIABILITY.** The parties' exclusive remedy for claims arising hereunder shall be for damages. Neither party, under any circumstances, shall be liable to the other for special or consequential damages. The remedies of the Purchaser, and any other party, arising out of or related to the goods set forth herein are exclusive, and the liability of the Seller with respect to the goods, or anything done in connection therewith, or from the manufacture, sale, delivery, resale, installation or use of any of the goods sold by Seller, whether arising out of contract, negligence, strict liability, tort, or under any warranty, or otherwise, shall not, exceed the price charged by Seller for the portion of the goods giving rise to such liability.

For stock items, the cancellation and return charge shall equal a re-stocking fee of 25% of the total selling price, provided that in the case of a return the goods are returned, unused, undamaged, in the original unopened, unmarked and undamaged packaging, of current design and series, and such return is received by Seller, freight prepaid, not later than 30 days after Seller's consent to the return. 13. **REMEDIES.** Except as to warranty matters, the remedies provided herein are cumulative and in addition to any other remedies allowed by law or in equity. The failure of a party to exercise any right or remedy shall not constitute a waiver of the right to exercise that, or any other remedy; and no waiver of any breach or non-compliance of any provision herein shall operate as a waiver of any other breach or non-compliance of the same or any other provision.

14. **APPLICABLE LAW, ARBITRATION.** This Agreement is governed by the internal laws of the State of Missouri. The parties agree that any proceedings in court or in arbitration shall be brought exclusively in Springfield, Missouri. **THE PARTIES EXPRESSLY WAIVE ANY RIGHT TO TRIAL BY JURY.** Except as provided in paragraph 3 hereof, any dispute, controversy or claim arising out of or relating to this Agreement or any purchase order issued by Purchaser and accepted by Seller hereunder (including, but not limited to, any dispute relating to the existence, interpretation, breach or termination hereof or thereof) that cannot be resolved by the parties shall be resolved by binding arbitration administered by, and in accordance with the Construction Industry Rules of the American Arbitration Association. The arbitration award may be reduced to judgment by any court having jurisdiction thereof. The cost of the arbitration shall be shared equally between the parties, and each party shall bear its own attorney fees and expenses.

15. **MISCELLANEOUS.** This Agreement is a complete and exclusive statement of the terms of the Parties' agreement. No course of prior dealings between the parties and no usage of trade shall be relevant to supplement or explain any term used herein, and no modification shall be binding unless made in writing and signed by the party to be charged. No claim or right arising out of a breach of this Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by separate consideration and is in a writing signed by the party to be charged. Neither party shall assign its rights or delegate its duties under this Agreement. Facsimile and E-mail signatures of the parties shall constitute original signatures for all purposes. The invalidity of any portion of this Agreement shall not affect the validity of any remaining portions thereof. #### CONSENT OF OWNER

CONSENT IS HEREBY GIVEN FOR FILING OF MECHANIC'S LIENS BY ANY PERSON WHO SUPPLIES MATERIALS OR SERVICES FOR THE WORK DESCRIBED IN THIS CONTRACT ON THE PROPERTY ON WHICH IT IS LOCATED IF HE IS NOT PAID.

§ 429.013. Definitions -- subcontractor to have lien, when -- consent of owner, form -- requirements -- penalties for violation

1. The provisions of this section shall apply only to the repair or remodeling of or addition to owner-occupied residential property of four units or less. The term "owner" means the owner of record at the time any contractor, laborer or material man agrees or is requested to furnish any work, labor, material, fixture, engine, boiler or machinery. The term "owner-occupied" means that property which the owner currently occupies, or intends to occupy and does occupy as a residence within a reasonable time after the completion of the repair, remodeling or addition which is the basis for the lien sought, pursuant to this section. The term "residential property" means property consisting of four or less existing units to which repairs, remodeling or additions are undertaken. This section shall not apply to the building, construction or erection of any improvements constituting the initial or original residential unit or units or other improvements or appurtenances forming a part of the original development of the property. The provisions added to this subsection in 1990 are intended to clarify the scope and meaning of this section as originally enacted.

2. No person, other than an original contractor, who performs any work or labor or furnishes any material, fixtures, engine, boiler or machinery for any building or structure shall have a lien under this section on such building or structure for any work or labor performed or for any material, fixtures, engine, boiler, or machinery furnished unless an owner of the building or structure pursuant to a written contract has agreed to be liable for such costs in the event that the costs are not paid. Such consent shall be printed in ten point bold type and signed separately from the notice required by [section 429.012](#) and shall contain the following words:

#### CONSENT OF OWNER

CONSENT IS HEREBY GIVEN FOR FILING OF MECHANIC'S LIENS BY ANY PERSON WHO SUPPLIES MATERIALS OR SERVICES FOR THE WORK DESCRIBED IN THIS CONTRACT ON THE PROPERTY ON WHICH IT IS LOCATED IF HE IS NOT PAID.

3. In addition to complying with the provisions of [section 429.012](#), every original contractor shall retain a copy of the notice required by that section and any consent signed by an owner and shall furnish a copy to any person performing work or labor or furnishing material, fixtures, engines, boilers or machinery upon his request for such copy of the notice or consent. It shall be a condition precedent to the creation, existence or validity of any lien by anyone other than an original contractor that a copy of a consent in the form prescribed in subsection 2 of this section, signed by an owner, be attached to the recording of a claim of lien. The signature of one or more of the owners shall be binding upon all owners. Nothing in this section shall relieve the requirements of any original contractor under [sections 429.010](#) and [429.012](#).

4. In the absence of a consent described in subsection 2 of this section, full payment of the amount due under a contract to the contractor shall be a complete defense to all liens filed by any person performing work or labor or furnishing material, fixtures, engines, boilers or machinery. Partial payment to the contractor shall only act as an offset to the extent of such payment.

5. Any person falsifying the signature of an owner, with intent to defraud, in the consent of owner provided in subsection 2 of this section shall be guilty of a class C felony. Any original contractor who knowingly issues a fraudulent consent of owner shall be guilty of a class C felony.

§ 429.012. Original contractor to have lien, when--requirements, failure to provide notice, penalty, exception--agents, insurance companies or escrow, accepting fraudulent lien waiver or false affidavit for gain, penalty

1. Every original contractor, who shall do or perform any work or labor upon, or furnish any material, fixtures, engine, boiler or machinery for any building, erection or improvements upon land, or for repairing the same, under or by virtue of any contract, or without a contract if ordered by a city, town, village or county having a charter form of government to abate the conditions that caused a structure on that property to be deemed a dangerous building under local ordinances pursuant to [section 67.410, RSMo](#), shall provide to the person with whom the contract is made or to the owner if there is no contract, prior to receiving payment in any form of any kind from such person, (a) either at the time of the execution of the contract, (b) when the materials are delivered, (c) when the work is commenced, or (d) delivered with first invoice, a written notice which shall include the following disclosure language in ten-point bold type:

#### NOTICE TO OWNER

FAILURE OF THIS CONTRACTOR TO PAY THOSE PERSONS SUPPLYING MATERIAL OR SERVICES TO COMPLETE THIS CONTRACT CAN RESULT IN THE FILING OF A MECHANIC'S LIEN ON THE PROPERTY WHICH IS THE SUBJECT OF THIS CONTRACT PURSUANT TO CHAPTER 429, RSMO. TO AVOID THIS RESULT YOU MAY ASK THIS CONTRACTOR FOR "LIEN WAIVERS" FROM ALL PERSONS SUPPLYING MATERIAL OR SERVICES FOR THE WORK DESCRIBED IN THIS CONTRACT. FAILURE TO SECURE LIEN WAIVERS MAY RESULT IN YOUR PAYING FOR LABOR AND MATERIAL TWICE.

2. Compliance with subsection 1 of this section shall be a condition precedent to the creation, existence or validity of any mechanic's lien in favor of such original contractor.

3. Any original contractor who fails to provide the written notice set out in subsection 1 of this section, with intent to defraud, shall be guilty of a class B misdemeanor and any contractor who knowingly issues a fraudulent lien waiver or a false affidavit shall be guilty of a class C felony.

4. The provisions of subsections 1 and 2 of this section shall not apply to new residences for which the buyer has been furnished mechanics' and suppliers' lien protection through a title insurance company registered in the state of Missouri.

5. Any settlement agent, including but not limited to any title insurance company, title insurance agency, title insurance agent or escrow agent who knowingly accepts, with intent to defraud, a fraudulent lien waiver or a false affidavit shall be guilty of a class C felony if the acceptance of the fraudulent lien waiver or false affidavit results in a matter of financial gain to:

- (1) The settlement agent or to its officer, director or employee other than a financial gain from the charges regularly made in the course of its business;
- (2) A person related as closely as the fourth degree of consanguinity to the settlement agent or to an officer, director or employee of the settlement agent;
- (3) A spouse of the settlement agent, officer, director or employee of the settlement agent; or
